

Viewing the Health treatments report

In this video, you will learn how to set up and view the Health treatments report in FarmIQ.

The Health treatments report allows you to see the details of the treatments you have recorded for a specified date range. This is useful for compliance purposes.

Click Report centre...

...click Animal,...

...click Health Treatments.

You can adjust the Start date and End date for the date range you want to view.

mimal types		Stock class	Mob		
Cattle	•	16 selected	Select options	•]	
✓ Check all ■ Uncheck all	۰	Capit 15e	Display disease info		
Cattle					View

Select the stock traits of the animals you want to view in the report.

Product		Display disease info		
Abamectin Pour On, CopaCaps 15g	2	-		
✓ Check all ★ Uncheck all	0			
Abamentin Pour On			View	
CopaCaps 15g	100			

And select which products.

Once you have set up your report criteria, click View.
